

MEMORANDUM CIRCULAR

No. 40
Series of 2024

SUBJECT: AMENDMENT TO BAI DEPUTIZED AUTHORITY OF REGION 4A LOCAL GOVERNMENT VETERINARIANS TO ISSUE LOCAL SHIPPING PERMIT FOR SWINE COMMODITIES TO THE NATIONAL CAPITAL REGION

In view of persistent African Swine Fever (ASF) outbreaks in several pig-dense areas in Region IV-A, the BAI and Local Government Units (LGU) established border inspection sites in the National Capital Region (NCR) and adjacent municipalities. This is to effectively contain and prevent the spread of ASF to disease-free and recovering areas in Central and Northern Luzon.

Now, in order to streamline the verification of shipment documents at the border and consolidate shipment records into a centralized database, the authority to issue local shipping permits, as provided under existing BAI Special Orders, for Deputized Veterinary Quarantine Officers from REGION IV-A LGU is hereby amended. Specifically, for swine commodities, **the Deputized Veterinary Quarantine Officers shall only be allowed to issue a BAI local shipping permit for movement within Region IV-A only.**

This Order shall take effect immediately.

Done this 20th of August 2024.

HYACINTH G. NAPILOY, DVM, MPS-PA
Officer-in-Charge Director
